Guiding our way through the senior year, preparing us for higher education, counseling us in job aptitude and opportunities complimenting us with enthusiasm, lifting us with wit, directing with knowledge, and humanizing these processes with understanding was Mrs. Virginia Morgan, and to her we respectfully dedicate the 1964 La Capa.

Would La Mirada High School gain a reputation for doing well in the many endeavors of its varied educational program? This high hope held out as a goal for the fledgling school could be achieved only as a result of the best efforts of faculty and students.

Now as the class of 1964 becomes alumni, all can look back with pride on the achievements of Matadores. Effort has earned distinction, success and pride. The good habits of hard work and giving of yourselves will continue to earn for you the things in life that are most worthwhile.

directors

Keeping the students in school, masterminding the sports program and causing havoc with school activities were the jobs of the directors this year. Under their leadership the school flourished in a variety of events. Red cuts, tardies, and legal excuses were the primary objectives of Mr. Frank Hayman. Mr. Donald Berberet met sports program deadlines, sold soft drinks at after game dances, and presented a well-operated sports program to the parents, teachers, and student body. Miss Johnna Moore plotted activities, and in her first year as director lost weight and gained seven new gray hairs. All in all the activities were successful, and a good time was had by all.

"these are the years that were"

"Pioneers" is the word that best describes the class of 1964, for we have blazed the trails to many La Mirada "firsts". As frosh in 1961, we became the first class to enjoy all four years on campus. That year our student leaders were Pat Rush, president; Cathy Allabashi, vice president; Eva Sefcik, secretary; and Joann Hill, treasurer. During 1961 LMHS took the Suburban League Sportsmaning Trophy for the first time.

In 1962 we greeted La Mirada's first foreign exchange student, Marie Jamin from Paris, France. Under the direction of Diane Boadway, president; Gayle Nisbet, vice president; Eva Sefcik, secretary; Cheryl Roosevelt, treasurer; and Cathy Allabashi, social chairman, sophomores saw LM win the League Championships, to go on to CIF in both football and basketball. In 1962 the literary magazine, *Inspiration*, was born and produced its first publication. Sophomore Cheryl Roosevelt became a first when she qualified for state speech competition.

The following year junior officers were Andor Skotnes, president; Cheryl Roosevelt, vice president; Joan Gersmar, secretary; Debbie Fades, treasurer; Eva Sefcik, social chairman; and Jim Miller, sergeant at arms. During 1963 juniors saw even more firsts: the first Posture Contest with Lee Ann Stout, queen; the first Homecoming dance and game which honored her majesty, Queen Kathy Dixon; and the first matador mascot, Missy Moberly.

Being seniors didn't stop our trail blazing. Under class leaders Andor Skotnes, president; Bruce Cook, vice president; Joan Gersmar, Treasurer; Debbie Fades, secretary; Brent Edmunds, sergeant at arms; Marsha Cline, social chairman; and Leslee Courson, historian even greater firsts were accomplished.

Cheryl Roosevelt became La Mirada's first matador to go abroad as a foreign exchange student. Cheryl also won the CSF Seymour Award. Francisco Bax, Maturamon from Barcelona, Spain, became our first male foreign exchange student. Bruce Cook qualified as La Mirada's first Merit Scholarship finalist in 1964. Seniors also christened the first "Youth In Government" month, with Diane Boadway acting as mayor.

An outstanding first was the first Junior-Senior Dinner-Dance Prom, held May 30, at Candlewood Country Club. A hard to repeat first was the 1964 CIF football victories. The LMHS varsity football team won the Suburban League Championship crown and went all the way to CIF finals. Individual student firsts include Ron Gasteum and Gayle Nisbet as Boys' and Girls' State representatives and Donna Edgerton as LM's Brotherhood USA, delegate.

As we come to the close of our high school careers, we have received many things: education, above all, and secondly the opportunity to experience our many firsts. As with this realization of our blessings that the class of 1964 departs, we hope that we can live up to our motto, "We have received . . . now shall give."

girls' state

A week spent at Girls' State is one which is difficult to describe.

Intermingled with moments of fun, and inspiration, were many hours spent in learning, through experience, the fundamentals of our American government.

One phrase was repeated again and again throughout my stay. I would like to share it with you and hope that it may be taken to heart:

'American ends with 'I Can'.'

boys' state

We learned through participation how to win, lose, laugh, make friends, and enjoy rest. The week, spent at the fair grounds in Sacramento, was one of the most valuable of my life.

Learning the intricacies of state and local government, the elections, campaigns and the filling of offices was an experience that I will never forget.

brotherhood

One of the most exciting and enlightened weeks of my life was spent at Brotherhood U.S.A. Amid the mountains of Idyllwild Pines, California, a group of teenagers spent seven days in a world where racial or religious barriers did not exist. The feeling of real, honest, brotherhood radiated from one end of the camp to the other and lasting friendships were made during that short week.

Other Senior festivities included the Senior Mothers Tea, the A Night party, and the Senior Debs Car Wash. Many Seniors enjoyed participating in Youth in Government Week when they took part in running the city government for one day.

COACH HAGGERTY

Head Coach Haggerty, who had coached our varsity for twenty years, retired this year. He and his coaching staff, Coach Lindner and George Greenlee, coached forces in our district. He had a team that was good in many ways and setting an example for the competitive spirit of our team. Coach Lindner, Walter Brent Esmonds and Coach Haggerty, our boys' football man, had a team and won many awards.

One of the greatest things of our team was our record breaking in the year 1973. This was the first time in our school history that we had beaten the Serrano team.

The next, Matamoros with an impressive record of 5 wins and 1 loss, went all the way to the State Championship. We earned berth in the C. F. playoff.

bee football

The United Bee football team, headed by Coach Joe Glascock and Assistant Coach Earl Shaw, found the opponents quite worthy in their season.

The record of 3 wins, 4 losses, and 1 tie seems meager for the amount of time and effort put forth by all the team members. Captains, Dennis Andre and David Oster, played hard and devoted their energies toward improving the caliber of play for next season.

The mighty but mighty Cee football team under the skillful direction of coaches Stan Thomas and Glen Hollingshead had a very successful season this year. Their record of four wins and one loss is as impressive as the amount of spirit and sportsmanship shown by the team at each game.

LEADER

It is rare to combine the qualities of a fine student and a good athlete? We believe it is, but only because we've seen it accomplished on our own campus.

Bob Cady is an excellent student as well as an outstanding athlete. In 1963 he was bee high hurdle champion and remains undefeated in this year's competition. Not only is he a champion, but he is an example which the entire team has followed and admired. Bob certainly deserves the honor to be the 1964 Co-Sportsman of the Year.

sportsmen of the year

An outstanding member of the Senior class, Cliff Hancock, has proven his leadership abilities on and off campus. As co-captain of the varsity football team, he led the team to victory and a C.I.F. championship with his undying spirit.

Cliff represented the Matadores as All-League lineman of the year. He was further honored by being selected as one of the ends on the CIF Team.

His ability has been greatly reflected by the faculty, administrators and by the fellow students. Congratulations Cliff Hancock have been extended by the La Capa Staff and the Co-Sportsman of the Year 1964.

To the Student Body

This summer through the AFS American Abroad program, I had the exciting and rewarding experience of living as an actual member of a German family. I found that the German people are friendly, outgoing, and very interested in all that I could tell them about America. The warm reception that I received is, I believe, significant and awesome when one remembers that it was not many years ago that the German people were fiercely depicted as our enemies. I sincerely feel that it is through such programs as the American Field Service—where people get to know each other as individuals, realizing that basically all men are alike—that world solidarity can be achieved.

I was proud to represent La Mirada High School and the United States this summer. Thank you all for making the experience possible.

Sincerely,
Cheryl Roosevelt

The red of our flag signifies the blood of brave men and women who gave their lives for the cause of freedom.

White stands for the purity of mind and government for which we eternally strive.

And the blue sets for us the nature of our sorrow over the loss of our President John Fitzgerald Kennedy.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system of equations (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β .
